A Glimpse of Joy

Sometimes it doesn't take much to make the difference between despair and joy. Many women walk through our doors thinking their unexpected pregnancy will ruin their lives. After seeing their baby on an ultrasound screen, many of those same women shed tears of joy.

A Bottle of Joy

Our ultrasound and counseling services are offered free of charge to anyone who needs them. That's why your bottle of change, bills and checks can make such a difference. We can't keep our doors open, train our staff or even turn on the lights without your support.

Let's make some change.

As we hand out baby bottles today, we are challenging you to fill them with more than just your spare change. Every time you add money to this little bottle say a prayer for our volunteers, staff and clients. Ask God how he would have you be a part of our ministry. Can you spend time volunteering? Can you provide a service or goods that we need?

How much will be in your bottle?

- \$20 keeps the phone lines open for one frightened caller
- \$40 provides a pregnancy test and counseling for one client
- \$65 provides an ultrasound for one client
- \$175 insures our doors are open for one day
- \$500 provides abstinence education to 50 students

We can't continue to provide these services without your help. Will you partner with us in this simple way to save lives? Just pick up a bottle. Fill it with change, bills, or checks and bring it back to the church on the collection date.
